

## HCP Afternoon Advantage

Can afternoon preschool work for you?

Some of the benefits of PM are: relaxing mornings with your child, generally smaller class sizes, time to get things done like early doctor's appointments, time for yourself (many places only open at 10:00 😊)

And to make the afternoons even sweeter, HCP is introducing the **Afternoon Advantage** for our **3's and Young 4's**

- 1/2 off first month's tuition
- Priority enrollment for the following school year
- Voucher for 5 free Lunch Bunches for the school year

If PM Preschool is sounding good to you, please reach out to
